He is looking into report writing software to use for his paper work that will be cheaper on the city. He has written 4-5 tickets since the beginning of the year. The Mayor Carlton Wyatt got a call stating that the police car had a tail light out. Police Chief Brendon Corbett is going to get that fixed. The police car is not to go out of city limits unless in a chase or for City business.

C. Fire Department – Alderman Annette Hacker gave the floor to Fire Chief Frankie Ullman who reported. 1 mutual aid calls but they got disregarded, 1 flue fire 2 legal burn, and a medic call. The people burning things besides paper in city limits needs to stop. On legal burns there should be no trash, treated woods and no burning after dark besides in a burning pit. Burning after dark you need a permit. They are remodeling the fire house. New meeting room, redoing all the lighting with LED lights. They got a deal at Menard's for the lighting.

Fireman are doing great. 2 are very dedicated. Frankie gives them credit to them. Hopefully we can get more people on the fire department.

D. Street Department – Alderman Ron Barnett stated that all the signs have been replaced that the tornado took out. He has cleaned up the sewer department shed. E. Water / Wastewater Department – Alderman Karl Schultz gave the floor to Frankie Ullman who reported that we got the new blower in at the plant. Equipment Pro. Inc installed the pump and there was a little mishap on the manifold. No leaks with this streak of cold weather. We had a few leaks but it was on the customer's side. We still have a few grinder issues but cannot get back the them to get them fixed, otherwise we will tear up the citizens yards. Flow rates are a little high due to leaks or people using more water.

G. Citizens Participation – Jodie Odem stepped up to speak. Stated that his grinder has been over flowing. He asked if there was a way that he could get an adjustment on his sewer. No adjustment can be made because he is still using the bathroom.
